Dear

STAT

I wish to inform you of receiving your letter of Nov. 4, and I thank you very much.

Your letter gave me a hope of my greatest wish, to be among the people who are fighting for freedom and democracy.

Meantime I will pray that the time for some exit to be short one, and my wish to be realized as soon as possible.

To Mr. Director and you, I am sending my best wishes for health and every success.

Sincerely yours,
